I said I was adding you two, but I didn't.

Bill Dunbar
Policy Advisor
U.S. E.P.A. Region 10
206/553-1019

Subject: Re: Governor meeting request

Yes.

We should be prepared for the lead in water matter too in Portland.

>>>>> This is Drew Johnston, Governor Kate Brown's DC Director. Governor Brown is out in DC this week and has made a last minute request to meet with Administrator McCarthy if at all possible. I made the request to Adrian Snead at the WH and I wanted to let you know.

>>>>>

>>>>> The Governor is out here Wednesday and Thursday and has time 12-1 on Wednesday and 8-10:30 on Thursday. I recognize the challenge of this request so appreciate whatever you and your team can do. The Governor is reacting to news of the railcar spill in Oregon on Friday and the heavy metal moss on-going results that show air toxics in the Portland metro area. These are big concerns of the Governor and causing an atmosphere of great public concern.
